

## Forest School March 2022 all classes

Class 1's trip to Forest School was on a spring like morning, with glorious sunshine and no mud. Their activities included bug hunting, the rope maze, the hammock and making a willow crown complete with decorations. The children had hot vimto and biscuits followed by the story 'A diary of a spider'.

Class 2 & 3 also had glorious weather for their sessions. Their activities included natural den building, bug hunting, making their own rope maze, making an Easter themed tree cookie, a tissue paper flower (for mother's day), the hammock and willow crowns. They also had hot vimto and biscuits for their snacks.
