More detail can be found in each class long term plan. • The progression of Art and Design skills is given considerable thought to ensure that there is progression across the topics throughout the year for all year groups. • Children's learning is further enhanced by whole school or key stage art days, visiting artists and art projects carried out at forest school. 	<ul style="list-style-type: none"> • Ongoing teacher assessments are made throughout the year by lesson evaluations, lesson, team teaching and learning walks. • Children are assessed according to their Key Stage National Curriculum requirements based on their progression in skills and knowledge on a termly basis. • The majority of children in each year group should be working at or above the expected level for their age. • Children should enjoy being creative and be inspired by Art and Design.
