

## Forest School November 2020 Classes 2 & 3

This week Classes 2 and 3 went down to Forest School. The weather was quite kind to us, with cold but dry weather and just the odd shower. We learnt about Guatemalan worry dolls, then we made our own to keep any worries we may have (once you have given the worry doll your worries you then place it under your pillow and have a worry-free sleep). We also made dens, hunted for bugs, and completed the rope maze. To finish, we had hot chocolate with marshmallows and a biscuit
