Dear Parents,

As you may be aware, schools receive sports funding to improve sports and PE and we are always looking for new sports for our pupils to try. Following on from the success of previous lessons, I am delighted to be able to offer a course of eight lessons where your child will be taught to ski. We have arranged for a group of ten children **(who have previously never skied)** to learn to ski starting from Tuesday 16th January for eight weeks with the last lesson being on 12th March (there will be no lesson during the half term week). The times of the lessons will be 5-6pm. It will be important to get there about 4.40pm in order to have equipment fitted.

If you would like your child to participate in this activity, there must be a commitment from you to attend all eight lessons. Parents will also be required to stay with their child at the slope for health and safety reasons. Please do not apply if you can't commit to all the sessions as we anticipate a high demand for this activity.

This out-of-school activity will be paid for by the sports funding grant so there is no financial cost to you. We just ask that your child attends all the sessions. Please note that as this is an out-of-school activity, no member of staff will be present. The agreement will be between yourselves and Ski Rossendale and you will be required to sign your child in each time at the slope.

This offer is on a first come, first served basis so if you are interested please complete the slip on the following page and hand it into our office as soon as possible.

Yours sincerely,

Mrs AJ Holt

Ski lessons

I would like my child _____ to attend Ski Rossendale for all 8 lessons starting on the 16th January and ending on the 12th March (no lessons in the half term break) – 5-6pm (to get there for 4.40pm for equipment to be fitted).

I understand that I will be responsible for my child during their time at the slope and I commit to taking my child to all eight sessions, signing them in and staying with them at the slope.
