Our Policy

At Sharneyford Primary School we have a duty to safeguard and promote the welfare of our pupils.

Our school uniform is important to us. It is one way in which we identify ourselves as a school family, and it promotes a strong, cohesive school identity which supports high standards and expectations in all areas of school life. It also enhances security, assisting the school to identify individual pupils in order to maintain good order and spot visitors/intruders more easily.

We believe that smartness and high standards of appearance demonstrate pride and respect towards our school, and therefore we expect this at all times.

At Sharneyford we believe that a school uniform is important because it:

- ❖ Contributes to a sense of belonging
- ❖ Gives a common purpose
- ❖ Fosters a feeling of pride
- ❖ Reduces 'fashion competition' between children
- ❖ Wears well
- ❖ Looks smart

All children should wear the uniform and we encourage them to maintain an acceptable standard of clean and tidy dress in school.

Our uniform is readily available and inexpensive.

- Long hair should be tied back with school coloured, simple accessories.
- Sunhats are encouraged during sunny weather to protect your child.

Equal Opportunities

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. We ensure that the set uniform respects other policies such as Race Equality and Gender Discrimination. Sharneyford Primary School is committed to equality for all and to creating a positive climate that will enable everyone to work in an environment that allows them to achieve their full potential.
