Sharneyford Primary School Newsletter

Happy Friday at the end of our first full week back in school.

The children have worked incredibly hard this week and engaged in lots of new learning from new phonics and spelling to Paddington making a mess and to dividing with a decimal remainder. It has been all go in school.

Thank you for your patience and understanding with regards to the impact of the local fire on school this week. Children and staff safety will always be the priority and school will always do our best to stay open, however this was unable to happen on Wednesday.

The main front door will be locked each day after 9.00am. If no adult is available, please call the office or ring the new bell, which will be in place from Monday next week. Thank you again for your support and understanding with this.

Weekly updates for each class will be on the class page on the school website at the end of the day on Fridays.

I hope that you all have a lovely weekend.

Mrs Smith
